BOOK SYNOPSIS

When COLIN MACALISTER is cursed by the Faerie Queen and ends up in the bed of a twenty-first-century woman—who also happens to be the most beautiful creature he's ever laid eyes on—he's torn between anger and lust. Colin is determined to see Scotland free of English control and must return to the fourteenth century, yet he cannot forget the woman who haunts his dreams and stirs him with scorching desire. ABIGAIL PORTER can't believe her luck. After making a wish to find her soul mate, she wakes up to find a gorgeous man in her bed! Can he really be a medieval Highlander summoned by her Faerie Magic, however? It seems crazy, but when Abby discovers someone wants to enslave her because of her Faerie heritage, she agrees to flee with Colin to 1306 Scotland to avoid capture. Thwarting danger at every turn, Abby and Colin surrender to an irresistible passion. But is the magic of true love powerful enough to save them?
