BOOK SYNOPSIS

From acclaimed author Anna Schmidt comes a sweeping historical Western romance about the unbreakable bonds of family, second chances, and a whole lot of heart in the Wild West. "This is me, Addie," Jess murmured. "You and me, the way we always were." But it wasn't, no matter how much she wished it were true. They were different now. She would always love him... But can she trust him not to break her heart? Jess Porterfield fled to the big city after his father's sudden death, leaving behind his family ranch and his childhood sweetheart. Now Jess has returned as the local lawman, determined to prove his worth...and win back the one woman he could never live without. Young frontier doctor Addie Wilcox was devastated when Jess left her behind. Now he's back and it's difficult to remember why she should keep her distance. But with the town's richest man set to see her hang for a crime she didn't commit, Addie must put her faith in the lawman who broke her heart and trust that together they'll find their second chance at love. "Readers wanting a good old fashioned Western romance need look no further than this one." -Dear Author for Last Chance Cowboys: The Drifter
