BOOK SYNOPSIS

Christmas is supposed to be the happiest time of year, right? Wrong... I've spent most of my life feeling obligated to take care of everyone and everything around me. This year, I'm almost to my breaking point. Meeting Zane seems to be the highlight of the holiday, but he's only sticking around for a couple of weeks. When a crazy stalker comes after me... Will anyone be there to take care of me? Or will I have to be my usual self and handle it alone.*** This book contains violence, sex, and graphic language. For readers 18 and over, only. ***
