## BOOK SYNOPSIS

Illusion is the only reality. Jane's new career as a composer is a dream come true, but her blossoming relationship with Adam is marred by his terrifying nightmares. When Jane receives a warning that a shadowy agency is targeting Adam's seminary school, she rescues him in the nick of time, but the only way she can protect him from such a powerful enemy is to run. In a shocking betrayal, her brother wasn't the one who warned her about the attack on Adam. Instead, Devin was leading it. As Jane struggles to keep one step ahead of Devin, Adam's exhaustion gives way to horror: His nightmares have begun to touch the real world. Jane can't abandon Adam to a fate worse than death, and far more than Adam's life hangs in the balance. As Jane pushes further into the dark unknown, she must challenge everything she once believed in, and she faces the most wrenching decision of her life: choosing between the two people she loves most.
