BOOK SYNOPSIS

A moving, bittersweet tale reminiscent of Sharon Creech's *Walk Two Moons* set in a West Virginia coal-mining town. When her brother dies in a fire, Sasha Harless has no one left, and nowhere to turn. After her father died in the mines and her mother ran off, he was her last caretaker. Theyd always dreamed of leaving Caboose, West Virginia together someday, but instead shes in foster care, feeling more stuck and broken than ever. But then Sasha discovers family she didnt know she had, and she finally has something to hold onto, especially sweet little Mikey, whos just as broken as she is. Sasha even makes her first friend at school, and is slowly learning to cope with her brothers death through writing poetry, finding a new way to express herself when spoken words just wont do. But when tragedy strikes the mine her cousin works in, Sasha fears the worst and takes Mikey and runs, with no plans to return. In this sensitive and poignant portrayal, Sarah Dooley shows us that life, like poetry, doesnt always take the form you intend.

THIS HISTORY THAT JUST HAPPENED FREE VERSE EDITIONS - Are you looking for Ebook This History That Just Happened Free Verse Editions ? You will be glad to know that right now This History That Just Happened Free Verse Editions is available on our online library.
